¹nursing courses included in enrollment counts must be requirements for an associate or baccalaureate degree.

²science-based nursing prerequisites and major requirements refer to all courses belonging to the physical or biological sciences that are either prerequisites for entry into a nursing program or required courses within a nursing program (i.e. biology, chemistry, nutrition)

INSTRUCTIONS

1. Please enter data into the blue shaded areas only.
2. For the NURS prefix, report student FTE for all undergraduate level nursing courses leading to an associate or baccalaureate degree.
3. For the science-based prerequisites and major requirements, students must possess a nursing or

associate or baccalaureate degree.

3. For the science-based prerequisites and major requirements, students must possess a nursing or pre-nursing major code in SIS in order to be included in FTE counts.

4. FTE for the science-based prerequisites/requirements should be aggregated and reported at the course level (i.e. the FTE from prerequisite courses with multiple sections is summed, producing the total FTE for one your institution's prerequisite/requirement courses)

4. Calculations should represent student FTE as of August 1 (or the nearest weekday).
