Headcounts from 2000-01 through 2004-05 are considered official. These are the foundational numbers in the NSHE/ Legislative initiative to double the capacity of students enrolled in NSHE nursing programs as presented to and approved by the 2003 Legislature and are used as the baseline for the 2006 Nursing Plan.

Beginning with 2005-06, unduplicated headcount for graduate students must be reported as those figures will be included in the 2006 Nursing Plan. However, graduate FTE remains self-supporting in summer terms and will not be collected as part of this request.
